

Umbrella Arrangements for Schools

ATTTO wishes to notify all tertiary providers and schools that ATTTO will no longer be supporting umbrella arrangements after the next revision of the Accreditation and Moderation Action Plans (AMAP) which is due to commence in August of this year.

What does this mean?

Once the new AMAPs are registered on the NQF, tertiary providers will no longer be able to provide umbrella services to high schools. Schools who are currently working under umbrella arrangements will need to seek accreditation for the units they are currently working with from the National Certificate in Tourism (Introductory Skills) (Level 2).

If any schools are currently working with any level three units that are not part of the National Certificate in Tourism (Introductory Skills) (Level 2), you will no longer be able to offer these units as an option to your students. Level three units that schools can gain accreditation for are:

- 18211 Demonstrate knowledge of Australia as a tourist destination
- 18212 Demonstrate knowledge of New Zealand as a tourist destination
- 3727 Demonstrate knowledge of the Pacific Islands as a tourist destination
- 18228 Provide information about specified regions in New Zealand as tourist destinations
- 18238 Demonstrate knowledge of the tourism industry in New Zealand

Schools seeking accreditation should contact Gail Peters as soon as possible to commence accreditation applications. Gail can be reached at 04 815 9839 or gail.peters@attto.org.nz.
